School Newsletter— 30th September 2019

Dear Parents/Carers

It was great to see so many parents at our recent Y2 & 6 SATs and Y1/2 Phonics Meeting. We hope you found these useful.

There are lots of exciting reading initiatives taking place this term. Miss Adams has had a fantastic interest in the Story Book Club and has now arranged two groups to fit everyone in— great news! The library is now open for family borrowing each Thursday after school so please do pop in and make good use of our library. In Y1/2 look out for our new Weekend Bedtime Story Bag and in Y3/4 our Weekend Book Bags to share.

Each sack/bag has a range of books to share with some hot chocolate sachets to make the time extra special. There are 2 bags per class which will be shared between learners.

Reception children will take part in this later in the term once settled into class. We are also launching our Book Badges as a reading incentive in all year groups. A letter accompanying this newsletter has more details. Our Book Fair will also be running next week so please support us if you can.

Miss Conner, Headteacher

Behaviour Rewards—Terries

Following a successful trial of awarding Terries in upper KS2, we have rolled this out from Y1 to Y6. Terries are awarded for demonstrating good learning behaviours, e.g. active listening, challenging yourself, perseverance and having a [Growth Mindset](#). These are recorded in reading diaries so parents can share these successes too. Learners will be able to choose rewards, kindly funded by parents/carers through FOSA, when they reach 50, 100 or 150 Terries.

Our [Behaviour Policy](#) is on our website.

Flu Immunisation Programme

The Immunisation team have contacted us and the date has changed to 29th November.

You now have until 22nd November to register..

If your child has **asthma**, please read this [Important Medical Information](#)

The link is
<https://tinyurl.com/y5egbn2z>

We have had a message from the Immunisation team and they want parents to contact their office on 0300 555 5055 if they have already consented to nasal flu using our portal **AND** their child has ever previously been admitted to Intensive Care following exacerbation of Asthma.

Our nurses will then be able to advise the parents as necessary.

MarvellousMe

We now only have 9 children left to sign up across the whole school, so that is great news.

If you are not getting pop up notifications on your phone, when a MM appears please try this:-

Go into settings, then notifications and then scroll down to find the MM app and make sure the banner style is on persistent and not temporary.

Unfortunately, if you have more than one child in school and the message goes to the whole school you will get the message multiple times.

If you have any problems with MM come and see Mrs Smith in the office who will try to help you.

Congratulations

...to our Primary Stars of the week.
