Dear Parents/Carers

## Coronavirus Advice Update

I'm sure many of you will have read in the press that a small number of schools across England have closed or put in measures to mitigate the spreading of Coronavirus after the government updated their advice recently about travel from affected countries.

I have had no reports of staff or pupils in school who need to self isolate but we remain vigilant and will continue to keep up to date and follow government advice. The recent update to countries listed as either Category 1 or 2 is below along with links to the relevant maps.

### Category 1 countries/areas

Wuhan city and Hubei Province (China, [see map](#))

Iran

Daegu or Cheongdo (Republic of Korea, [see map](#))

Any Italian town under containment measures ([see map](#))

Japan

### Category 2 countries/areas

Cambodia

China\*

Hong Kong

Italy: north\* ([see map](#))

Laos

Macau

Malaysia

**Category 1 countries/areas**

**Category 2 countries/areas**

Myanmar

---

Republic of Korea\*

Singapore

Taiwan

---

Thailand

Vietnam

If your child or a close relative that your child has been in contact with has recently returned from any of the countries listed, please do contact the school so that we can advise you about what to do next. In the case of travel within any of the countries or areas in a Category 1 area, please do this by telephone and do not come into the school office.

The risk to our community remains very low but we will continue to keep you updated.

Yours sincerely
