Dear Parents/Carers

Re: Proposed Partial Reopening of Schools

You will no doubt be aware that the government announced last night the possibility of a partial school reopening on 1st June for Reception, Year 1 and Year 6 pupils. At this point, I have no further guidance about how this would work nor the government's expectations for schools in delivering this. Clearly, in order to implement the social distancing required this does not equate to a return to, "school as normal," for these learners.

The school remains open to the pupils of "[Critical Workers](#)." If you have not used this provision to date but believe this may be required in the future, please book this via the school office email office@terrington-st-clement.norfolk.sch.uk. It is essential that we are clear who will be arriving at school each day so that we can ensure we are adequately staffed. However, the government advice regarding pupils attending school remains the same, if your child can stay safely at home, they should.

We are all keen to return to school as soon as possible when it is safe to do so. Our priority is, and will continue to be, the wellbeing of the school community; our learners, staff and everyone's families. Until then, we will continue to provide work and signposting on our website as before and will be in touch with further details as soon as possible.

Thank you for your continued support.

Yours faithfully

Miss A Conner, Headteacher

A Traditional school with traditional values where
we aspire, succeed and thrive
