

## Reggie's speech

Good afternoon everyone, my name is Reggie Rudland. I am 10 years old. I am running for Osprey house captain because I think I can make Osprey successful again, we as a team could be holding that cup if you choose me.

You should choose me to be your house captain because I am a great role model for the younger ones; I am kind to everyone, I am also inspiring because I try my best at everything. I am very sporty; I have been involved in many sports competitions such as: hockey, football, sports hall and athletics. I help the younger ones when they need me like: bibs, finding their friends, bringing them to first aid when they are hurt and talking with them when they need comfort.

If you vote for me I will give you more events to earn house points like art for people who enjoy it; speed stack, netball and reading. All of these challenges will be for all ages. I will also run some games at lunch which will be fun and exiting, I hope you enjoy it if you choose me.

In conclusion I think I would make a good house captain because I am kind, smart and friendly. You should choose me because of all of these things. So please vote for me. It is YOUR choice.
