

# DROP-IN

**Our Drop-In (for book bundles, reports and abandoned PE kits will be operating between 10am and 11:30am each school day from our car park.**

## Book Borrowing Opportunity

We have some great books sitting in our library and around the school looking very lost and lonely. They are in need of some great learners to come along and open them up to read. If you would like to borrow a book bundle, please stop by during the times stated above and pick up a bundle to take home and read. Unfortunately, you won't be able to look through and browse, but each bundle is grouped by year group and has a great selection, so you're bound to find at least one book that takes your fancy. We have also hidden some "golden tickets" inside some of the bundles so, if you're lucky, you may find one of these lurking between the pages. If you do you will be able to claim your prize when you next visit. You will be able to return the books at any time during school hours by dropping them into our drop off box outside the main entrance or just inside the door, if wet. Or alternatively, stop by at another 'Drop In' for a new book bundle. Our books have and will be quarantined before going into circulation so there is no risk of spreading infection.

## Reports

When you visit to collect a Book Bundle, you will also be able to collect your child's annual report. You can collect any day during the times above up to and including 17th July.

If your child is attending school, their report and their sibling's reports will be sent home with them on Monday.

## PE Bags

We also have a few abandoned PE bags that were left when the children left school in March. Again, stop by when you pick up your Book Bundle and we will return them to their owners.

Look out for me hiding between the pages of your book!

Please remember to socially distance when you visit us.

**GOLDEN TICKET**
