

TERRINGTON ST CLEMENT COMMUNITY SCHOOL

GOVERNOR INFORMATION

2020-2021

Governors hold an important public office and their identity should be known to their school and wider communities. In the interests of transparency, a governing body should publish on its website up-to-date details of its governance arrangement in a readily accessible form. Attendance at governors' meetings during the school year is displayed on the school website.

Name	Committees	Relevant business and pecuniary interests	Relationships between governors or relationships between governors and school staff
