

## Safer Internet Day

Hello everybody, today is internet safety day. Below are some clips and resources to help you and your child keep safe whilst using technology and when accessing the internet.

Click the link below to watch the story of Smartie the Penguin. There are talking points within the story to discuss with your child. Join in with Mummy Penguin's song to help remember how to keep safe.

Perhaps your child could draw a picture of Smartie the penguin and make a list of trusted people at home or school by drawing their faces and using their phonics to write their names.

This link takes you to the UK Safer Internet Center webpage. Here you will find lots of helpful hints, videos and resources around internet safety.
