Dear Parents/Carers

Re: Return to School - 8th March 2021

The return to school for all learners is Monday 8th March 2021 and attendance is expected from this date unless your child is unwell or self-isolating due to close contact with someone displaying [symptoms of Covid-19](#) or receipt of a positive test.

Please remember that although all of our learners are returning, as adults, we still need to ensure that we all adhere to Covid safety measures at all times. This particularly applies to limiting the number of adults on site. If your child is mature enough to enter the playground by themselves, please encourage them to do so.

School Day & Procedures Reminder

- Only one adult per family. Family groups may wait together in one of their allocated areas. Please remain on site for the shortest period possible.
- Each class group/bubble must line up by their allocated cone. Learners from different bubbles/classes must remain apart. Adults must ensure that they themselves remain socially distanced from each other at all times and that your child remains lined up in their group/class.
- The playground vehicle entrance will also be open as taxis will be driving onto the playground. This will be roped off but parents must ensure that young children remain in the allocated areas.
- Breakfast Club will continue as normal, you must pre book your child's attendance by contacting the School Office. This does not apply to those currently attending as your child is already booked in.
- Morning Snacks - As a welcome back, cheese toasties will be available free of charge for Years 1 to 6 until Easter. Fruit is provided daily in EYFS and is also available in other year groups if required. Alternatively your child may bring in a healthy snack to eat at breaktime. This should not be chocolate, sweets or crisps.
- School Meals - You can find our Spring Menu [here](#) and, unless your child is eligible for Free School Meals or in years R to 2, must be paid for via SQuid in the normal way. Nursery children staying for the full day will also be able to request a hot meal but this is not funded so must be paid for.

Loaned Chromebooks for Remote Learning

If your child borrowed a Chromebook for use during lockdown, please return this before Easter so that we can make use of them again in school. We will continue to loan these out for any periods of self-isolation as required. The older laptops which were loaned prior to lockdown to assist with home learning can be kept until the end of the Summer Term as arranged.

I look forward to seeing you all on Monday.

Yours faithfully
