Dear Parents/Carers

## Y6 End of Year Performance

Most of you will be aware that we have been working hard on a Y6 end of year performance over the past few weeks. We have had to be a little inventive this year to fit this around all of the Covid restrictions currently in place for schools but were determined to end the year on a high.

We, like you, were disappointed that we did not move to Step 4 of the Government Roadmap this week so have had to think carefully around how we invite parents/carers in to join us whilst keeping within the restrictions. For outside events, performances are still limited to 30 people so we will be putting on two performances. These will take place on Monday 19th July at 9:30am and Tuesday 20th July at 9:30am. To ensure that every family is able to attend, we will initially be limiting tickets to one per family with the remaining seats allocated at random. We will also video the performance and post this on our website so any family members unable to attend can view this online.

We are aware that restrictions should end on 19th July but we cannot guarantee this and need to plan accordingly. If we have been notified that restrictions will definitely end and can offer additional tickets nearer the time we will do so. The event will take place outside (regardless of the weather as the inside limit is still only 6) so we may need to change the start time if the weather is not kind to us.. We have our fingers and toes crossed but it would be worth bringing an umbrella!

Unfortunately, you will not be able to bring younger siblings to the event as these count within our 30 limit. However, if you are really stuck for childcare, please do contact the office and we will do our best to help out with this, where we can. We know how important these events are to parents/carers. In order to allocate tickets, please contact the school office to book your place as soon as possible.

Yours faithfully

Miss A Conner, Headteacher & Mrs L Dymond Phase Leader
