Dear Parents/Carers

Re: Parent Consultation Meetings - Reception to Y6

Now that our learners are settled back into school life again, we are keen to catch up with you and share how they have settled into their new class and are progressing in their work. Fortunately, we are allowed this year to invite parents/carers into school for face to face meetings this year. However, we will request that any adults attending wear a face mask and use the hand sanitiser provided as this will involve a relatively large group of adults on site that do not usually mix. You will also need to keep your child/ren with you at all times or attend without them if possible. Alternatively, you will be given the option to request a telephone consultation instead, should you prefer.

Our meetings will take place on the following dates for all:

- Tuesday 12th October 3:30-6pm
- Thursday 21st October 3:30-6pm

To book an appointment please go to <https://terringtonstclementcommunity.schoolcloud.co.uk/> and fill in the login details. Make sure you put an email address and you will then get confirmation of your appointment by email. **If you have more than one child you will need to log in again and select your other child.** You then need to select booking mode. If you choose automatic it will select the next available time, or if you need a certain time, please choose manual.

Once you have selected the time you want, there is a box to leave a message for the teacher. If you wish to request a telephone consultation, please indicate this here. It would be really helpful if you also enter the best number to call you on. If you do request a telephone consultation, teachers will do their best to call you near to the time you requested. However, please bear with us as consultations do sometimes overrun. If we are unable to call you due to this or cannot get through, we will send a Marvellous Me message at the end of the evening and telephone you later that week instead.

A Traditional school with traditional values where
we aspire, succeed and thrive

I will send the parents' guide for booking appointments as a separate MarvellousMe. You can also find the link to the above website on the school website under the Parents section - Parents' Consultation.

We will send out information for the children who attend our nursery soon.

Thank you, as always, for your continued support.

Yours faithfully
