Dear Parents/Carers

## Re: Parent Consultation Meetings - Reception to Y6

I promised that we would make a decision about whether our planned and already postponed Parent Consultation Meetings could take place face to face after half term. However, due to the significant outbreak in school this half term and rising cases in the community, governors responsible for Health & Safety do not feel that these can continue to take place as planned. Whilst we would put in place Covid safety measures, we are mindful that should teachers and other staff become infected as a result of this wider mixing, we would place ourselves at risk of having to close classes due to unsafe staffing levels. Obviously this is something we want to avoid at all costs and has to remain our priority.

Instead, teachers will make telephone calls on the evening you have opted for but these will start slightly later to give parents/carers time to get home. We plan to call parents/carers in the order that appointments were originally scheduled so these will be as close to the time you selected as possible. If these do overrun or staff are unable to make contact that evening, they will follow this up later in the week during school time. Clearly we will be as flexible as we can to ensure that we speak to you all.

We have considered virtual meetings but know from experience that our internet connection in school would not cope with multiple meetings simultaneously and this would just prove frustrating for all.

Our telephone consultations will take place on the following dates for all:

- Tuesday 2nd November 4pm-6pm
- Thursday 11th November 4-6pm

For those of you that haven't booked yet, here is the link and remember to put your telephone number in the notes section <https://terringtonstclementcommunity.schoolcloud.co.uk/>

Thank you, as always, for your continued support and we truly hope to be able to meet in person with you very soon! This term has proved challenging for us all so your support is appreciated.

Yours faithfully

Miss A Conner, Headteacher

A Traditional school with traditional values where  
we aspire, succeed and thrive
