

Terrington St Clement Community School

*A traditional school with traditional values where
we aspire, succeed and thrive*

20th May 2022

Dear Parent/Carers

Next week is a busy week for us as we are all participating in our school Global Citizenship Week.

Our learners will be learning about different cultures and customs from around the world. We can't wait to get travelling! Parents & Carers will be able to find out all about our adventures on a planned Open Evening later in the term where some of our work from this week will be on display so save the date:

Open Evening 14th July 3:30 to 5pm

On Friday, we are celebrating the Queen's Jubilee. Don't forget the Red, White & Blue Colour Theme (you don't have to wear them all) for non-uniform. We are planning (weather permitting) to hold a whole school picnic on the field.

Finally, I hope you all have a lovely half term week and enjoy your school free days. Don't forget our learners are not returning to school until Tuesday 7th June.

Our Golden Rules

We recently reviewed our [Behaviour Policy](#) and in particular our School Rules. We felt there were so many to remember and many overlapped. Our learners agreed. We now have 3 ["Golden Rules"](#)

READY, RESPECTFUL, SAFE

You can find out more about these rules by following the links above.

Celebrating our Ambassadors

At Terrington, we work hard to develop our learners' "soft" skills alongside their academic ones. In the Autumn Term some of our Y6 learners were selected to lead on activities linked to Reading, Maths, Sports & Health. We could not be more proud of their increased confidence and burgeoning leadership skills over this past year. They make such a difference to our school and I know that they are inspiring many of our younger learners to become ambassadors in the future.

Sports & Health Ambassadors

As you know our Sports & Health Ambassadors work alongside Mrs Portass, our cook, to choose the half termly Menus. They also lead Active Me session in their classes. This term they have been leading football training sessions on the field. This includes setting up all of the equipment, leading activities and offering praise and encouragement to our learners. They have conducted themselves so well and we are immensely proud of them.

Reading Ambassadors...

...support and read regularly with some of our less confident readers, choose books for class libraries and support Miss Adams in leading this key area of our school. Our learners love their new class books and think they have made some super choices. It's so lovely to see many of our learners reading for pleasure and taking inspiration from our Ambassadors.

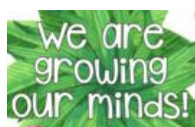

Maths Ambassadors...

...are helping some of our younger learners develop confidence in learning number bonds and key maths skills. They set up weekly activities after break for selected learners and our learners love attending.
