Curiouser and curiouser. Alice is lost in Winterland, the caterpillar was no help, and the Cheshire Cat only grins. The flowers speak, the turtles talk in rhyme and everyone is scared of the Red Queen. There's only one person that can help, unfortunately he's quite mad.

Join Lamphouse on a fascinating, funny, music-filled adventure down the rabbit hole this Christmas. Based on Lewis Carroll's original story with new songs, lots of laughs and many many hats, this is Alice, with a difference! We're all mad here!

Suitable for all aged 6-106
