

# Terrington St Clement Community School

*A traditional school with traditional values where  
we aspire, succeed and thrive*

19th July 2023

Dear Parents/Carers,

We've made it! I hope that you, like us are looking forward to a well earned break. I know our learners have worked extremely hard this year and are definitely in need of a few slower mornings.

At the end of this week, we say goodbye to our Year 6's. We are immensely proud of them and know they will move into their High School truly ready for the next stage in their learning. They have grown in confidence, maturity and shown us how responsible they can be. Whilst, we know that SATs results are only one small measure by which they are judged, I did want to share how delighted we are with our reading results this year. When nationally, standards dropped, our school achieved our very best results ever, despite the disruption to learning over the last few years. We exceeded the national average by 5%. We know it takes a whole school community to help our learners achieve so thank you to all of the parents/carers who read with your child, encourage them to love books and support in so many ways. It makes all of the difference!

This Friday, when you come to school, you will notice that a section of our playground has been fenced off. We are very excited that our Specialist Resource Base (SRB) located in the building at the rear of the field, is being revamped and updated to bring it up to current building standards and improve the learning environment for these learners. We have been fortunate to receive substantial funding from the LA to help achieve this. Our SRB supports up to 10 learners at a time with Speech, Language & Communication Needs. Learners travel from across West Norfolk.

I hope you have a lovely summer and look forward to seeing you all refreshed and raring to go in September. Learners **return to school on Wednesday 6th September.**

## Class/Whole School Letters

Click [here](#) to see all of the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

## High School - School Day Changes

From September, the High School are changing the length of their day. They will be starting at 8:40am and ending at 3:10pm. This will clearly impact on us. Our staff are on duty to supervise from 8:35am. This should allow older pupils to drop off siblings in time for their start of school.

For parents of children in Years 5&6, if you have younger children to collect as well, please arrange to meet your older child in the main playground - we will allow them to leave via the side car park gate if you have informed class teachers. Please also remember that our parents should not be parking in the High School car park. There is plenty of parking by the Recreation Ground.

## Parenting/Family Support

We all know how rewarding being a parent is but is it also jolly hard work! There are lots of agencies set up across Norfolk to support our families, whether your child is displaying behaviours that you are finding hard to cope with, you are worried about your own mental health or struggling financially, help is out there.

More information about this support can be found by following the links below:

## Achievements to Celebrate

Well done to Danni SA for becoming the British Champion 2 years running for roller skating in her age group. She got 4 golds in her latest competition. She was also voted most improved skater by older coaches and skaters in her club.

Her sister Kallie also came away with 4 medals in different categories.

Lily-Anne S has achieved her 100m swimming certificate.

Nellie competed for West Norfolk Swimming Club in the open water regionals. She did a 1km swim in the lake at Whitlingham Broad. She managed it in 19 minutes 49 seconds and came second in the county and 13th overall in the eastern region.

Amelia has earned her Blue Peter Badge! Great job, Amelia.

We love sharing our learner's achievements both inside and outside of school so please do email the school office if you have good news to share.

## Help and support with living costs

You may be struggling with living costs for a range of reasons. This leaflet tells you what support is available and how to get advice.

## Thank You!

A big thank you to Argos,  
Hardwick for donating 50  
breakfast bags to our school.  
The families who received them  
were very grateful.
