

Terrington St Clement Community School

*A traditional school with traditional values where
we aspire, succeed and thrive*

2nd February 2024

Dear Parents/Carers,

Well done everyone, our attendance over the last week is 97.4%! This is a super achievement so thank you to everyone for trying so hard.

There are lots of seasonal illnesses around at the moment and we do, of course, understand that sometimes absence just can't be helped but if ever you feel that getting your child into school becomes an uphill battle - please do speak to us, there is lots we can do to help.

The headteacher reward for 100% attendance at the end of the Spring term will be a milkshake (requested by our 100% attendees last term). If your child has an unavoidable medical appointment during the term, please do flag this up with the office so that we can keep a note of this. We don't want to stop them attending for a scheduled appointment that can't be organised outside of term time.

Thank you to all of the parents who attended our EYFS phonics sessions this week. It was lovely to see so many of you there and to receive such positive feedback. Our learners are making great progress with their phonics knowledge and we know will make great readers of the future as a result. Speaking of reading, I have lots of [reading badges](#) sitting in my room ready to award in next week's assemblies. This is great news! I'm sure we can beat last year's tally of 238 badges awarded. Keep reading!

Finally, we are delighted that next week our annual book fair is arriving! Do drop in after school to the food hall to see what is on offer. We receive commission in the form of new books for every book sold. We will also be running this in the library on Tuesday's Parent/Teacher Consultation evening so do drop by if you have an appointment booked.

Parent Support

This year we have been running some parents coffee afternoons - it's been lovely to see some of you able to join us for these. This Friday, we are starting a bespoke behaviour management course for parents (similar to the training that teachers undertake) run by the Schools & Community Team. This first run of sessions is already full but if successful we hope, to run further courses in the future so do look out for this.

Our Home School Support Worker, Sue Mills is able to meet with any parents who would like some bespoke support or advice around parenting issues - this might range from fussy eating to poor sleep routines. You can find out more on our [website](#).
