

## Road Safety - Seatbelt Safety

*We had a visitor in to talk to us about staying safe when travelling in a car.*

We talked about sitting in a car seat:

Coats need to be taken off to ensure we can be strapped in nice and tightly.

We need to sit with our bottoms at the back of the seat, an adult needs to click us in and we need to be quiet and listen for the click. We must wait for an adult to unclick us when the car has come to a safe stop.

We talked about how car seats keep us safe and why it is important that everyone in a car wears a seat belt. We used toy cars and dolls to find out what would happen if we didn't follow these safety measures:
