

# The Adventures of Smartie the Penguin

"If you're not sure about someone who is talking to you, or they make you feel worried, then always tell us. Not everybody tells the truth on the internet, and because you don't know this person in the real world, they are still a stranger.

I will show you how you can stop this player from speaking to you again."

From that day on, Smartie the Penguin always knew how to be safe when using his tablet and playing on the internet!

If anything happened that made him feel worried, upset or confused he didn't try to fix things by himself...
