**Parent Safeguarding Information - County Lines**  
Norfolk Police are running a webinar for parents on the topic of County Lines and how to protect your child. Find our more on our [website](#).

## Parent Feedback from Survey

In the Autumn, we shared some of the positive results from our parent survey and I promised to share further information in the Spring. Whilst over 94% agreed that we were a happy school, a minority said that you were not clear about how behaviour is dealt with in school. Our Behaviour Policies sets out our approach and can be found on our [website](#). We have high expectations of all of our learners but also accept that learning to self regulate emotions and make positive choices is part of a child's development. Some learners may need more support developing these skills in the same way that some learners may need more help learning to read. If at any point your child speaks about a situation in school that you would like explained further, please speak to us. We are happy to help and reassure.
