

Dear Parents/Carers,

Welcome back to school. I hope you all had a pleasant half term break. Firstly, congratulations to our Y3/4 footballers. We won the regional heat on Thursday and are off to Norwich to complete in the finals next week. The girls were a credit to us and were complimented on their impeccable behaviour and good sportsmanship by all. Well done!

As you know, we have started using the Zones of Regulation to help our learners identify their big emotions and learn to self-regulate effectively. This is a really important life skill. If you would like to find out a little more about this along with how you could use some of these techniques at home, we are holding a couple of informal drop in sessions to discuss this on Friday 7th March at 9am and repeated on Monday 10th March at 2:30pm. Why not pop in for a tea/coffee and to find out more?

Just before half term our Y1/2 learners and our SRB were treated to a an owl visit They had been reading about owls in their story times and were really excited to see them. You can see some pictures of this visit on our [website](#).

Finally were are very excited that next week is Book Week. Miss Adams wrote to you last week about our plans for the week. We can't wait to see your photographs of reading taking place in your child's favourite place. Your child may also wish to take part in a [competition to win a school story chair](#).

Sex and Relationships lessons

We will be teaching these over the next term and a half. We held a drop in session last year for parents/carers to see the materials that we use so will not hold one again this year but any parents that wish to see the materials can visit the office and request this.

You can see our [policy here](#) on our website which explains what is taught in each year group. If you have any questions about this at all, please speak to your child's class teacher.
