

Dear Parents/Carers,

We have had a lovely start to the summer term so far. The weather has definitely helped. Well done all for great attendance this year so far. We are currently at 96% which is already 1.2% above the national average! 80 learners received a treat for 100% attendance at the end of the Spring Term too. The School Council have suggested ice lollies as a treat for achieving 100% in the Summer Term - Good luck!

This Sunday, a team of our learners, alongside some of our staff will be taking part in the Mini Gear. Best of luck to all involved!

I'm sure many of our eagle eyed parents will have spotted that Mrs Goudie, our SENCO is expecting her second child. We are delighted for her! She will be with us until the end of the term, then her role will be covered temporarily until she returns. I will share more information about this in due course. However, to ensure a smooth transition, we have set up a new email account -

SENCO@terrington-st-clement.norfolk.sch.uk for any SEN related queries so that these are not lost during any handovers. Please use this account from now on.

Finally, don't forget that we are celebrating the 80th Anniversary of VE Day this coming Thursday 8th May. Learners can either dress up in 1940s costume or wear red, white and blue. We will be holding our celebration picnic on the field at lunchtime.

I hope you have a lovely bank holiday weekend and look forward to seeing everyone back on **Tuesday 6th May @ 8:45am.**

ACHIEVEMENTS

Well done to our netball's who won their competition and got through to the finals and finished 5th overall. As always, they were a credit to us.

Well done to Danni SA who competed for Team GB in Germany for speed skating. She broke 2 British records for her age group - what an achievement!

DIGITAL 5 A DAY

Our learners are increasingly living in a digital/online world.

Research suggests this can have a significant negative impact on mental health, particularly children's mental health.

Why not discuss the [Digital 5 a Day Framework](#) with your child and try to take the challenge? Connecting in real life and remaining active will help our learners develop healthy habits.

MARVELLOUS LUNCHTIMES!

Our Sports Ambassadors have been very busy devising some great lunchtime activities. These include football, sports day games and table tennis. Phase groups rotate through these activities across the week and have great fun. Our Ambassadors are a great asset to our school and are developing some great leadership skills. Well done!

UNDERSTANDING EACH OTHER

In our assemblies this half term, we have been learning about how our brains work and that sometimes our brains work differently. We have watched these videos to learn more about neurodiversity and how this might affect how some people's brains work.

This time we are focusing on transitions. Our Y6 learners and new starters into Reception will have learned recently about their school place. For new starters in EYFS, we have a wealth of information on our [EYFS pages](#) that will help you ensure that your child is "school ready." [Our Y5/6 Learners Pages](#) have some useful links to support around transition to Y7.

Number Bonds

How well does your child know their
Number Bonds to 20? Our younger
learners are encouraged to earn their
Number Bond badge when they are
confident with this.

Well done to:-
