

Dear Parents/Carers,

I hope you all had a lovely half term. Our learners have arrived back in good spirits and ready to learn.

Today we say goodbye to Mrs Whitmore (TA&MSA) who is moving on to pursue other interests. Ms Parpworth-Reynolds will be joining us on Monday to take over this position. I know you will join me in wishing Mrs Whitmore the best of luck and welcoming our new staff member.

Thank you for all of your harvest donations last term, we have a lovely thank you from the King's Lynn Foodbank on page 3.

Just before half term, Y5&6 visited Norwich Castle - a great time was had by all and they were a credit to our school. There are some photos of the trip on our [website](#).

Parents/carers in Oranges with Reception aged children should have received a letter about parent consultations scheduled for next week. To book click [here](#) if you haven't already done so. Thank you for your patience in waiting to for these appointments. Miss Riches is back in school and has clearly been missed! Mrs Nell and Miss Adams will be meeting with you for these appointments on this occasion whilst we ease Miss Riches back into school.

Learners in Y3-6 have had a letter about the TT Rock Stars competition which runs from 7.30am on Tuesday 18th November to 7.30pm on Thursday 20th November 2025. You can join the fun at play.ttrockstars.com. Good luck everyone!

From next week, you can sign-up your children for some fantastic activities during the school holidays. Children aged 4-16 who receive benefits-related free school meals can book free sessions of fun at no cost! [Big Norfolk Family Fun](#)

Finally, it made our day when Joe Gascoyne from ICS Coaching sent us their [blog](#) - I hope it makes yours too!

Parent/Carer Feedback

Thank you to the 70 families that completed our survey. The vast majority told us that your child enjoys school, make good progress, feel safe and are treated fairly by staff. You also told us that we promote worthwhile attitudes and values, that you are comfortable approaching us with any concerns and that, you felt we are a welcoming school. You also felt encouraged to be involved in the school life and work. Whilst the majority also felt we were effective at dealing with behaviour issues and that the school is inclusive and supports pupils with SEND well, a small minority disagreed and a larger minority told us that they did not know so we will unpick this more in subsequent newsletters.

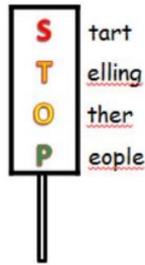

ANTI BULLYING WEEK 2025

This week is anti-bullying week so our learners have been learning about how to put a stop to bullying. The theme this year is "[Power for Good.](#)" We have been learning about how our words are our superpower and that it is the responsibility of us all to use our words and tell an adult in school when we spot something that is wrong or someone has been unkind to us. I have also set each class a challenge to decorate a speech bubble with kind words. These will be displayed around school and the classes with the winning designs will have an extra playtime.

When is it bullying?

What should I do?

You can find out more about our approach to stop bullying in our [policy](#). There are also some useful resources for parents on the [Just One Norfolk](#) website.

Playground Shelter

I am sure you cannot fail to have noticed our new shelter.

The next step is to work towards getting some benches installed. It will be invaluable as a seating area, FOSA Selling area and outside Classroom space. My thanks to you and to FOSA for all of your fundraising efforts!

REMEMBRANCE SUNDAY

Polly, Austin and Henry represented their section of Squirrels as the colour party in the

Remembrance

Sunday parade. Austin was standard bearer for the section, Polly and Henry were escorts and it was their job to lay the memorial crosses in the garden.

Some of our Y6 children read out the names of the fallen at the Remembrance Service on Sunday. Mrs Boulding accompanied them and said they were

a credit to school. They were Thomas L, Massimo W, Ashton S, William C, Kallie SA and Isla N.

ACHIEVEMENTS

This week, 22 runners took part in the West Norfolk Cross Country finals. They showed amazing resilience and encouraged other participants and were a joy to be with. The following children qualified in the top 5 for their race and have been invited to a race in Norwich in January. Well done to:

Dylan W, Noah W, Darcey B, William W, Sidney E and Reuben Brown

SCHOOL RUN SAFETY

Norfolk County Council Public Health's Road Safety Team has partnered with FirstCar to promote an important campaign highlighting the **Hierarchy of Road Users**, introduced in the Highway Code 2022.

This campaign is designed to help communities and families understand how small changes in behaviour and attitude can make a big difference in promoting road safety.

Why this matters

The highway code is for everyone, not just when we learn to drive.

Whether walking, cycling, or driving to school, our behaviour on the road teaches children how to stay safe as they become more independent travellers.

The Hierarchy of Road Users places greater responsibility on those who can cause the most harm.

Drivers must now give way to pedestrians waiting to cross at junctions and take extra care around cyclists and horse riders.

Please watch this [Video](#) to see it in action.

Thank you!
