

Dear Parents/Carers,

Thank you to everyone who supported FOSA's recent Christmas Bazaar. It was a great turn out and FOSA were able to raise lots of funds for our school.

It was lovely to see parents at our first performance yesterday. This was for EYFS, who did an amazing job and really started off our Christmas events well. We are looking forward to welcoming families to attend the Y1 to Y6 Performances on Thursday and Friday mornings, and the following Monday afternoon. As always, you are in for a real treat! At the end of each performance, there will be a collection bucket to raise money for FOSA for anyone who feels able to donate.

Our Christmas Lunch also takes place tomorrow and we are all looking forward to Mrs Portass and her team's amazing Christmas dinners! Then next week, after our last performance, we have 2 musical assemblies planned in for the Tuesday followed by a church visit to look forward to on the Thursday. We finish on Friday 19th at the normal time.

There are a few staff changes taking place at the end of this term. Mrs Bragg, our librarian will be leaving us. She has done a fabulous job at raising the profile of our library in recent years. Mrs R Smith, will be joining us in January to replace this position. She will continue to work in our library and also to support in Y3/4. Mrs Alexander is also leaving us to explore new adventures. Mrs Alexander has worked at the school for 10 years and will be missed by all. We currently have an open [vacancy](#) for this position. I am sure you will join me in wishing them both the very best for the future.

Finally I wish you all a lovely Christmas and look forward to seeing you all in the new year.

Spring back to school on
Tuesday 6th January.

KEEPING SAFE ONLINE

Some of you may have seen some of the recent news articles about the online game Roblox and the potential safety issues for children accessing this game. As with all online content, it is vital that parents/carers are engaged and talk to children about how to keep themselves safe. Internet Matters provide a wealth of information about current online content, how to talk to your child about their safety and how to exercise parental control. You can find more about Roblox specifically [here](#).

We also have a wealth of [online safety information and guidance](#) on our website. If Santa is delivering more tech this Christmas, keep informed and help us keep our learners safe.

NUT FREE SCHOOL

Just a quick reminder that we are a nut free school. Please do not pack any nut products in your child's lunch box. This is to support some of our learners avoid a severe allergic reaction

BREAKFAST CLUB

A question was raised recently by one of our parents regarding sugar on cereal. As you know, we are a healthy school so try to discourage this where possible. However, if your child is used to having sugar on their cereal and request this, they are allowed to sprinkle a very small amount on top. We do, however have lots of delicious hot breakfast alternatives so there is lots to choose from. More information about Breakfast Club is on our [website](#).

ACHIEVEMENTS

Well done to Oscar W for getting a medal from West Norfolk Rugby Club. It is for great teamwork, sportsmanship and respect.

Our musicians (violinists) put on a fabulous show at St Clements High School at the end of November. We had such a large group who took part and they were a credit to our school. Mrs Bouskill and Miss Rogers were very impressed!

Finally a big thank you and congratulations to Miss Rogers who recently applied for the Music Mark Award for our school to celebrate all of the great music that takes place. I am delighted to announce that we were successful - what great news!
