

# Terrington St Clement Community School

*A traditional school with traditional values where  
we aspire, succeed and thrive*

10th February 2026

Dear Parents/Carers,

Thank you for your understanding regarding school club cancellations over the past 2 weeks. We had an issue in our hall which meant that we had to close it to all as a safety precaution. However, I'm pleased to report that, following an inspection, we have been given the all clear to reopen the hall. We also now have repaired heating in there - which is great news! I'm sure your children will have told you that during these works, the fire alarm was triggered twice. Fortunately, our learners are well drilled and made their way to our assembly point on the field safely and calmly. Apologies for the muddy shoes, it's quite wet there at present!

It was lovely to welcome so many of you to parent meetings last week. We are running more meetings this Tuesday. Our Book Fair will also be running in the library during the evening. We are so grateful for your support of the book fair, we earn books as commission and are looking forward to refreshing some of our library books.

This week we are recognising [Children's Mental Health Week](#). Learners will be considering how they can develop good mental health practices and also will be completing a "High-5" to school being the place to be by filling a hand template with a trusted school adult, a friend, a safe place, a favourite lesson and a favourite school activity. These will be displayed around school.

Finally, I wish you a good half term and look forward to seeing you on **23rd February**.

## Nut free school

Just a polite reminder not to send any snacks or lunches into school that contain nuts. We do have quite a few children with a nut allergy so your consideration is greatly appreciated.

Thank you

## Class/Whole School Letters

Click [here](#) to see all of the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

## Juniper Education

Earlier this week we sent out a message per class to all children who had 100% in January. We had some queries from parents as they could see other parents comments. After contacting Juniper, this was their response.

*If a badge has been sent out to multiple children at once, the badge will be seen by all parents, and as such they will be able to comment and see comments from other parents of those children. So this is indeed intentional behaviour, however rest assured parents will only see the names of their own children within the app.*

We hope this puts people's minds at ease that other parents will not see your child's name. To send this individually would just be too time consuming.

## Half term activities

A message went out last week with these links from ICS Coaching. If you haven't yet booked and you want your child to take part in half term, please do.

Football Day - <https://forms.gle/mxex3fNMAb6F8w44A>

Dodgeball Day - <https://forms.gle/Pe7ZfNxa4YAPMagH7>

## World Book Day

As you know, we dress up every other year for this event so on **Wednesday 4th March** we would love children to come dressed as their favourite book character.

Your child will also bring home £1 book voucher that week.

## After school clubs

As we had to cancel a week of after school clubs, these will run again for the same children the first week back. As we will only have 4 weeks after that, we have decided to run the same clubs. A message will be sent out this week with more information on how to book, as we will be doing it slightly differently.

FOSA officially opened the new shelter last week. This has been a great fundraising effort and we would like to thank Terrington Vets, British Sugar and a Community Infrastructure Levy from the Borough Council for their contribution to this. Also, a massive thank you to all of the parents/carers who have donated including the walk to Sutton Bridge and back some time ago.

## Safer Internet Day - Tuesday 9th February

As well as recognising Children's Mental Health Week this week, we will be marking [Safer Internet Day](#) and learning about how to keep safe online. We have some useful information on our [Website](#) for parents and carers about how you can support your child to make safe choices online. You might also like to chat with your child about a healthy amount of time to spend online by using the [Digital 5 a day](#) approach.

Well done to Miss Moulton for getting her badge!  
So far we have awarded 68 badges. Last year  
we awarded 243 badges, equalling the  
previous year's total! Let's see if we can  
smash that total this year and get everyone  
reading. There are some great  
[recommended reading books on our website](#)  
to help your child get hooked and keep on  
reading I wonder who will be the first to earn  
their badge?
