

Dear Parents/Carers,

Thank you to all of the parents who joined us for our EYFS Sports Day last week. We were so lucky with the weather and a good time was had by all.

Further Sports Day Events are planned for the rest of the school on 9th July. Our annual Open Evening will also run after school on the 9th July. This is an opportunity to meet new teachers, see new classrooms and see some of the great work we have completed this year so save the date. You will also have an opportunity to discuss your child's end of year report with their current teacher. Reports go home on 7th July.

Coming up in the next few weeks, Y1/2 are visiting the beach and Y6 are taking part in their residential trip. We hope they all have a lovely time.

Finally we have a few staffing changes coming up over the next few weeks. Mrs Day who joined us quite recently as part of a short term cover, will be leaving us at the beginning of July. Then at the end of term Mrs Hornigold is retiring. Mrs Hornigold has worked with us for 25 years and is very much a part of our school. We wish her the very best in retirement. Mrs Dymond will also be leaving us at the end of term after securing a promotion to an assistant head position at another local school. Whilst we are delighted for Mrs Dymond, we know she will be sadly missed by all and wish her the very best in her future career.

## CHANGES TO FREE SCHOOL MEALS - SEPTEMBER 2026

In September an expanded FSM entitlement comes into force. It is now even more important to apply. The eligibility for this is being widened so if you are not already in receipt of FSM you may now be eligible. More is explained in this additional information on the Norfolk County Council [website](#).

We want to reassure parents already in receipt of benefit related FSM that they do not need to re-apply and their entitlement will be checked and confirmation of entitlement sent to you before the end of the summer holiday. This confirmation will include details of how to contact Norfolk County Council if you have any queries regarding your eligibility.

## ACHIEVEMENTS

Well done to Millie H and Imogen C for being part of the Terrington Tigers U12's who were the South League winners.

## TRANSITION

As you know, in years 1-6, we have three mixed aged and mixed ability classes in each phase group (Y1/2, Y3/4 and Y5/6). For this reason, it is necessary to re-mix classes each year to ensure that they remain equitable and also to group new groups of learners within each phase. A lot of time goes into selecting pupils for each class to make sure they are equal and that each learner has someone whom they work well with. The entire teaching staff have an input into this. Inevitably, whilst many of our learners embrace the challenge of moving up the school, others are less confident and may need support. There is a wealth of support and advice on Just One Norfolk that may help you support your child in managing this transition.

In assemblies, we have been talking about the upcoming transition and learning about how to manage any anxieties we have around this. Over the next few weeks, we will also be talking about the power of positive thinking and watching these [3 videos](#). You may wish to look at these with your child at home. Please also remember to involve us and speak to your child's current teacher or a member of the Pastoral Team if you think that they are finding this difficult.

Our transition day will run this year on Monday 29th June. Learners will have the chance to spend time with their new teachers in their new class base. Parents will also be informed of classes on this date.

**Head Lice** - Please continue to check your child's hair for lice as we have had a few reports of this recently in KS1. Thank you for your continued support.
