Dear Parents/Carers

Y1 to Y6 Milk Orders

Further to the information shared back in March, that we are unable to continue to offer milk as a free option with school meals, I am writing to provide the opportunity to purchase milk for your child to have in school. We have spoken to our suppliers and are able to source daily milk cartons for any parent/carer that wishes to purchase these. They will be provided to your child at snack time.

In order to place an order for these, parents/carers will need to select the milk option on Parent Pay and pay for a full term up front. For the autumn term, this will be at a cost of £35. This is the total cost to us and does not include any profit for the school.

If you wish to order milk for your child, please pay by **WEDNESDAY 15th JULY** so that we can place your order. We will offer this prior to the beginning of each term as an ongoing option.

If you haven't yet registered for ParentPay and you would like to order milk, please contact the office and they will be able to give you the joining instructions.

For clarity, as stated in my newsletter, this does not affect EYFS but if your child is in Reception at the moment and you want them to have milk in Year 1, you need to order.

Yours faithfully

Miss A Conner
