

Terrington St Clement Community School

*A traditional school with traditional values where
we aspire, succeed and thrive*

15th July 2026

Dear Parents/Carers,

Thank you all for joining us for our sports day last week. I am sure you will understand the decision to shorten the event to keep everyone safe. Unfortunately, had we cancelled, we would have not had time to reschedule before the end of term so instead, we made changes to our schedule, kept inside during breaks to reduce time out in the heat, and provided extra shade. We saw some great sportsmanship and were supported well by Sports Leaders from the high school. Well done to the blue (Merlin) Team for winning overall.

It was also lovely to see so many of you at our Open Evening. The hall display was really well attended and it was amazing to see quite how many books your child will read or be exposed to during their time with us. These were displayed in our Reading River.

There are more images of our learners work on display on our [website](#).

Y1/2 had a trip to the beach recently and were a credit to us - well done! This was followed by a trip to Springwood by some of our musicians who also made us very proud.

This week we are celebrating our Y6 leavers. Sadly, we had to cancel our planned Y6 water fight (I know such a looked forward to event) after Anglian Water implemented a hosepipe ban. Disappointing as this is, we need to be teaching our learners to be responsible citizens and wasting water in this way is not responsible at present, due to the low reservoir levels. Better luck next year.

Finally have a lovely summer and we look forward to seeing you all in September.

Picnic Lunch

We are having a World Cup Picnic on **Thursday 16th July**. There will be no other meal choice on that day.

A message went out last week on Juniper.

Parent Pay

Please ensure that you have paid for any lunches and breakfast clubs you owe on Parent Pay by tomorrow. Trying to follow this up on the last day of school is stressful for all. Thank you for your co-operation.

Lots going on this summer...

PARENTS

5 QUESTIONS TO ASK BEFORE YOUR CHILD STARTS AN ACTIVITY

Safer sport starts with a conversation. Take a moment to ask these questions. Your club should be able to answer them.

Great British Summer Savings

The government wanted to us share this with parents.

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

The public are ready to get behind the scheme and are keen to take advantage of the discounts available. As trusted pillars of their communities, schools play a vital role in connecting families with important information.

As part of this campaign, we have launched an **attraction finder** website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.
