Dear Parents/Carers,

YEAR 5/6 PLANETARIUM

As part of our science topic on Space this half term, we have arranged for a planetarium to visit us in school on the Tuesday 10th November.

The children will have the opportunity to enjoy a unique learning experience. The large dome contains specialised visual and audio equipment which projects onto the inside of the planetarium giving a 360 degree experience of our amazing universe.

Although the school is funding the majority of the cost for this visit, we are asking for a nominal donation of £3.75 per child towards the cost. We have based this price on everyone contributing but are aware of financial pressures at the moment. If you don't think you are able to pay for this, please speak to Miss Conner or the office to discuss this further.

There is an offer on ParentPay under activities called 'Y5/6 Planetarium'.

Please send the slip below back and pay by 3rd November.

Yours faithfully
