Terrington St Clement Community School

A traditional school with traditional values where
we aspire, succeed and thrive

19th October 2026

Dear Parents/Carers,

Thank you so much for your understanding on Friday, completely out of our control but frustrating we know.

We hope you enjoyed your recent drop in session to celebrate Poetry Day. We loved writing our poems and sharing them with you. This year our Christmas Performance will be based on a Christmas Poem written by our children. More information on this next half term but performance dates are on the calendar so pop them in your diaries now.

On the 8th October we took part in the National Literacy Trust & British Council Guiness World Record Take 10 to Read attempt as part of the National Year of Reading. A great time was had by all and I was inundated with book chat in the playground, which was great!

After half term, Y1/2 are hosting an animal visit day as part of their science topic - People and their Pets. Y5/6 are also being scientists, learning about space. To support this they will have the chance to enter a planetarium set up in our school. So lots to look forward to.

Thank you to our new FOSA group and to everyone that helped run their very first disco. We really value everyone's support in raising money for our learners in school.

Finally, well done everyone for some super attendance this year so far. Our current attendance is 96.1%. A really super start! This means our learners have learned lots of new things this year, participated in special days, made and developed friendships, been part of a team and learned new life skills which will help them be successful in adult life - wow, they have been busy!

School closes for half term on
Thursday 22nd October.
Return to school **Monday 2nd November**

SCHOOL TERM DATES

Class/Whole School Letters

Click here to see all of the letters we send home to parents/carers. The only ones not published are for competitions, where there are only a few letters sent.

Harvest Lunch

Thank you for harvest donations so far, ready for our assemblies this week. You can bring donations in until first thing Thursday morning. We are also looking forward to our special harvest lunch on Thursday which is sliced turkey, root vegetable mash, rainbow cabbage and gravy. This is then followed by pumpkin flapjack.

Spot Light on our Website

If you would like to learn a little more about what your child is learning about in school and new topics coming up, our Curriculum Pages have lots of information. We also have other helpful resources and suggestions on how you can support your child at home on the Learners Pages of our website.

Award winning garden

On Wednesday 30th September the mayor came into school to officially open our new garden. He also enjoyed a tour of the school and met a lot of the children and some of them thought he was a pirate!

On Wednesday 21st October and Thursday 22nd October we are inviting parents to come and look at the garden at 3pm. Just come to the office and some Y6 children will escort you round, then you go out of the other gate in time to collect your child. More photos can be found on our website.

Resilience

Last week, our assemblies were led by the Mental Health in Schools Team. We learned about what resilience means and how we can build this. We practised 2 activities which you might want to try with your child at home, particularly if they are feeling anxious about an upcoming event.

Box/Square Breathing

Body Scan - this just involves starting from the feet and working up. Squeeze all of your muscles in that body part, hold for a few seconds and then relax. We followed this path:

Feet
Legs
Stomach
Shoulders
Face

Just One Norfolk also has a wealth of ideas and resources to help you support your child to develop their resilience.
